Supports to eliminate **TOXINS & improves URINATION**

Supports to improve healthy **DIGESTIVE SYSTEM**

Supports to improve **BLOOD CIRCULATION**

Supports to maintain healthy **CHOLESTEROL LEVELS**

KEY INGREDIENTS

Chlorophyllin

Guarana

WHY DO WE NEED IT ?

Along with the good food habits and regular exercise we need to have a basket full of vitamins and minerals so as to maintain overall health and problems associated with aging, toxins. Chlorofresh Plus+ is one such product which is beneficial for blood circulation, reducing excess cholesterol, improves the digestion, eliminates the toxins and act as an internal deodorant.

WHY CHOOSE CHLOROFRESH PLUS+ ?

Chlorofresh Plus+ Guarana consist of 8 types of enzymes, rich in antioxidant and consist of vitamin B1, B2, B6, B12, E. It protects healthy cells and bodily tissue by increasing phase II biotransformation enzymes which eliminates potentially harmful toxins. These are experimentally approved plant pigments with the ability to block carcinogenic effects within the body and protects DNA from damage caused by toxins.

HOW DOES IT WORK ?

It is experimentally proved to be a natural deodorant and wound healing agent by lowering the rate at which harmful bacteria reproduce, making it beneficial for wound healing and preventing infections. Chlorophyll and Guarana from fresh green leaves has potent anti-inflammatory activities against dangerous bacteria and other environmental toxins. Chlorophyll helps turn off a pro-inflammatory cytokine called lipopolysaccharide-induced TNF- α , making it a promising treatment option for inflammation and related chronic diseases that conventional medicine has failed to control. It maintains the integrity of Hyaluronic acid which keeps the skin hydrating.

RECOMMENDED DOSAGE

10-15 ml of Chlorofresh juice with a glass of water.

Children below the age of 12 years, Pregnant or Lactating women are advised to consult a doctor before using.
