Moisturizes the skin | Normalize oil production

6in1  
Pollution  
Defence  
Facial Kit

This Pollution Defence Facial Kit treatment provides an intensive purifying and correcting effect that reduces inflammations and blemishes from excess sebum production, detoxifies, cleanses and heals the skin. It has powerful anti-oxidant effects which protect the skin's youthful properties and impart radiance. This facial detoxifies and leaves the skin youthful after all real beauty is forever.

**Key Ingredients :** Lemon Oil, Aloe vera Extract, Walnut Shell Powder, Blueberry Extract, Olive Oil, Grape Seed Oil

## How to use :

**STEP 1:** Take a little of the Oxygenating Cleanser on the fingertips of both hands and massage in an upward circular motion all over the face. Rinse off with water or wipe off with damp cotton wool.

**STEP 2:** Take sufficient quantity of Doffing Scrub and massage it gently all over the face in an upward circular motion for-3 minutes to remove dead cells. Rinse off with abundant clear water.

**STEP 3:** Apply sufficient quantity of Purity Gel all over the face & massage it gently in a upward circular motion for 20 minutes each so that the gel gets absorbed well & wipe off with wet cotton.

**STEP 4:** Massage with Revivify Cream for 10 minutes to add nourishment to the skin.

**STEP 5:** Take an appropriate quantity of Refurbish Mask and apply it all over the face. Leave it for 10 minutes, remove with wet sponge.

**STEP 6:** Apply a thin layer of Vigilant Serum on clean face after the whole treatment.
