JASMINE STICKS

The specially crafted fragrance of jasmine, is both charming and mysterious. The captivating mix of musk and floral notes creates an irresistible aroma which is meant to enliven the senses and tantalize the mind. A heavenly experience and a perfect escape!

Direction : Light tip of incense sticks until a flame burns. Extinguish flame. Place incense stick in the holder, so that the ash is collected in the holder.

Caution: Never leave burning incense stick unattended. Keep out the reach of children. Incense is not edible. Burn Incense sticks with care and then sit back, relax and enjoy.
